# Pānui

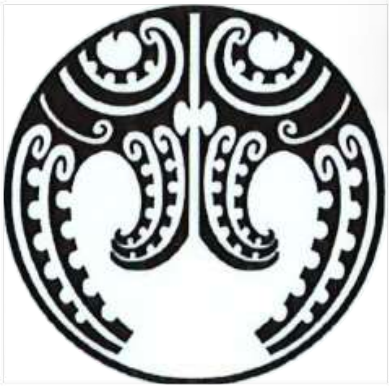
Oroua rourou kai, rourou ki uta, rourou ki tai. Oroua tangata ki te ao tuuroa.

## Ngā Pou Kawa

Our Pou Kawa are our guiding values that ensure the success of our mokopuna, our kaiako, our kaimahi and our whānau on a daily basis within our kura.
We have four values that we are teaching our mokopuna; Whakapapa, Aroha, Manaakitanga and Whakaāio.
There is an expectation that everyone upholds these values.

## Whakapapa

Whakapapa focuses on our mokopuna, kaiako, kaimahi and whānau making connections with each other through whakapapa. Understanding our roles and responsibilities further strengthens positive, healthy relationships at kura, at home and in the wider community.



## Aroha

Aroha focuses on our mokopuna, kaiako, kaimahi and whānau showing aroha and compassion to each other. Understanding and accepting the uniqueness of others helps to provide a safe, happy kura environment.

# Manaakitanga

Manaakitanga focuses on our mokopuna, kaiako, kaimahi and whānau caring for others. Displaying kindness through encouraging and supporting each other, helping others in need and being responsive tuakana/teina.

# Whakaāio

Whakaāio focuses on our mokopuna, kaiako, kaimahi and whānau being self reflective and creating a healthy balance in life. By reflecting on ourselves as mokopuna, kaiako, kaimahi and whānau we can develop resilience in our changing world.

# Auahi Kore

We are asking whaanau to please have a conversation about vaping with their tamariki. Vaping is very popular with young people today and we want to keep educating our kids about the negative effects vaping has on their health. Our kura grounds are auahi kore and all areas including the carpark are forbidden for smoking or vaping (including inside your vehicle when on school grounds).

## Smoke-free & Vape Policy

Te Kura aa Iwi o Ngaati Kauwhata is **SMOKE-FREE** and **VAPE-FREE,** as required by the Smoke-free Environments and Regulated Products Act 1990 (s.7A). We comply with the Act and have a smoke-free and vape-free policy as part of our commitment to providing a physically and emotionally safe place for tauira, kaimahi, and the kura community (Health and Safety at Work Act 2015; Education and Training Act 2020). We aim to promote a smoke-free and vape-free lifestyle to all members of the kura community to help protect everyone from second-hand smoke and discourage tauira from taking up smoking and/or vaping.

- Display the required signage (i.e smoke-free and no vaping signs) at every entrance to the kura grounds and the outer entrance of every building
- Regularly communicate our policy to the kura community (including kaimahi, tauira, volunteers, and mātua/caregivers)
- Advise visitors, contractors, anyone working at our kura, and anyone hiring or using the kura facilities that our buildings and grounds are smoke-free and vape-free
- educate tauira through the curriculum about the harmful effects of smoking, vaping, and exposure to second-hand smoke.

## BREACHES

Adults smoking or vaping in or around kura grounds are reminded that the kura is smoke-free and vape-free by law and asked to stop or leave the premises.

If a tauira breaches this policy (either by smoking/vaping or supplying tobacco/vapes to other tauira), the tumuaki (or their delegate) determines the appropriate actions to be followed. We may offer appropriate counselling and education, and contact parents/caregivers. The following policies may also be relevant: **Behaviour Management, Searches, Surrender, and Retention of Property,Stand-down, Suspension and Exclusion.**

## COMPLAINTS

Complaints about breaches of this policy involving students and members of the school community may be made through the **Raising Concerns** process.

Complaints involving smoking or vaping in the workplace are referred to the tumuaki, who may pass these to the board for investigation. Investigations follow legislative guidelines (Smoke-free Environments and Regulated Products Act 1990, s.15). We refer complaints to a smoke-free enforcement officer as appropriate.
