KURA TEINA

TE POOTAETANGA A KOOKAA IWA

Our Rupe tamariki supported Kōkā Iwa at her graduation last week, where she was awarded her Level 4 Tohu in Raranga from Te Waananga o Aotearoa. An awesome achievement from one of our kaiako!

Our mokopuna represented our kura with excellence, offering heartfelt support through presence and a moving haka tautoko

BASKETBALL

Our kura is participating in tthe Manawatuu basketball competition held every Friday. Our kura waenga Year 7 & 8 team, coached by Matua Pahau & Matua Hohua, kicked off the season with a fantastic win against Kairanga, finishing 38 - 15

OPENING OF THE DEMENTIA WARD

This week, a group of our kura teina students had the special opportunity to support the opening of the brand new dementia ward at Nelson Street Residential Care Centre.

Our tamariki showed so much heart and mana as they stood in support of this kaupapa - offering waiata, warm smiles and representing our kura and iwi with pride. It was a moving event and our tauira helped bring a real sense if whanaungatanga to the day.

It was alsi a great chance for them to see the amazing mahi happening in our wider community to care for our pakekek. We are proud of the way they carried themselves - respectful, engaged and full of aroha.

HELIX

STUDENT MANAGEMENT SYSTEM

On Wednesday, Whaea Marg sent out a welcome email via Helix. This email included a link giving you access to the caregiver portal.

To access the site, please use the link provided in that email.

You can log into the caregiver portal using the email address you provided to our kura.

If **you didn't receive the email**, it likely means we do not have your correct or active email address on file. If you need to update your caregiver portal access details, please contact whaea Marg.

HELIX

THROUGH HELIX SMS YOU CAN:

- View our daily paanui
- Notify the kura of your tamariki absences
- Follow your tamaiti akomanga newsfeeds and see what they're learning
- Receive kura reports once they are uploaded

This is now our official communication platform to whanau. You can still email kaiako directly if needed.

The SMS can aslo be accessed via the website link or by downloading the Helix app from the App Store.

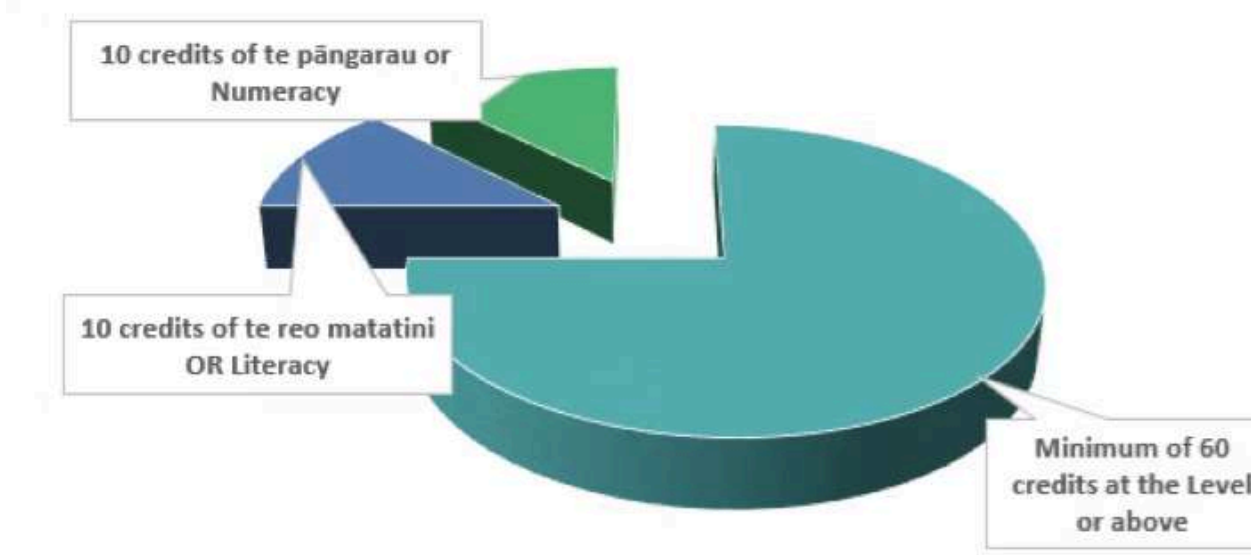
NCEA & CO-REQUISITES

IMPORTANT UPDATE

LITERACY & NUMERACY CO-REQUISITES FOR NCEA

In the past, our mokopuna could achieve Literacy & Numeracy credits through specific assessments - especially Te Reo, English and Maths. However, there has now been a significant shift. Literacy & Numeracy are being integrated across all *Kaupapa Ako* (Learning Areas), not just limited to a few subjects.

At wharekura, our tamariki can achieve **NCEA Level 1** by gaining **80 credits**, including **10 Numeracy credits** & **10 Literacy credits.** This ensures our tamariki build confidence in reading, writing & maths - whether in *Te Reo* or English. *(See graph for more details.)*



Tamariki only need to meet the **20-credit Literacy & Numeracy requirement-** also known as the **Te Reo Matatini me Te Paangarau** requirement **once.** Once achieved, it counts across **all levels of NCEA** (Levels 1, 2 and 3).

Tamariki achieve this co-requisite by sitting external **Common Assessment Activities (CAAs).** Our kura will be completing these tests **next week at Hato Paora.**

For more information about Literacy & Numeracy co-requisites, please follow the link below:

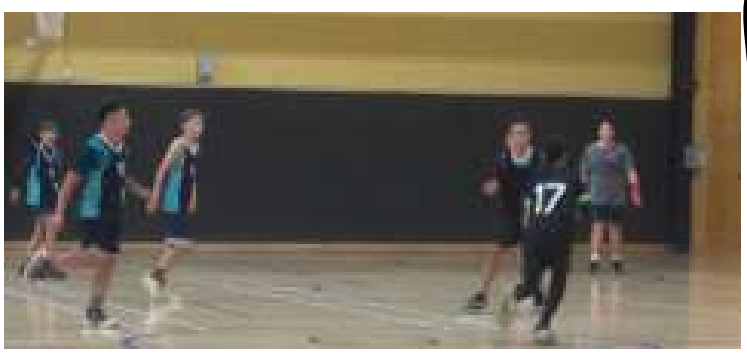
HAKINAKINA



Our wharekura basketball team, coached by Tomairangi Hipango and supported by four senior boys from Hato Paora, played a tough games against the Mooreporks last Friday night. They narrowly lost with a final score of **53 - 56.**

This was a challenging match, as our wharekura were competing against grown men in the **Men's Social Division.** Despite the pressure, it was exciting to watch our rangatahi build resilience ad determination with each quarter.

A huge thank you to our whaanau who came along to support with transport and loud cheers from the sidelines - our tamariki truly appreciate it!

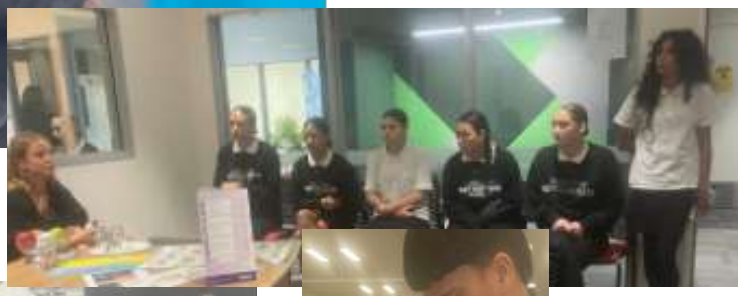
HAUORA WAANANGA – CAREERS EXPO

PATHWAYS FOR THEIR FUTURES



Over the past two weeks, our wharekura have been involved in a series of waananga designed to open up potential pathways.

The **Waananga Hauora,** hosted by **UCOL**, provided an opportunity for our tauira to explore a wide range of health careers - such as doctor, nurse, radiographer, midwife and manu more. It was hands on - engaging experience that gave our tauira valuable insights into the health sector.

The **Careers Expo** further broadened their horizons, exposing them to opportunities in the trades, universities, the defence force, the arts and several other industries. To top it off, our wharekura were invited to the **Inspiring Futures Seminar**, where they were challenged to guess the employment roles of a range of inspiring role models - a fun and eye opening activity that sparked curiosity and conversation.

Overall, it was an incredibly positive experience for our rangatahi, helping them dream big and consider the many possibilities ahead.
