Whiringa-aa-nuku Paanui

Kia ora e te whaanau

Welcome to **Term 4 -** our final term of the year! It's shaping up to be another busy and exciting few weeks as we head toward the end of 2025. Please take note of the following dates and events:

Playing Sport for Another Kura

As a small kura, we work hard to provide sporting opportunities for all our tamariki. It is our expectation that our tamariki represent our own kura whenever possible. If we are unable to form a team, we will explore other options.

In these cases, there is a process that must be followed - a "good practice" agreed upon by all Manawatuu schools. If your tamaiti is to play for another kura, the request must first go through our tumuaki, who will then contact the tumuaki of the other kura.

NCEA Information:

Our Wharekura are now into their **NCEA assessment and external exam period.** THis is a crucial time - please ensure our rangatahi are:

- Attending every day unless they are sitting exams
- Getting plenty of rest, kai and hydration
- Staying organised with revision and deadlines.

A big mihi to our kaiako and whaanau who continue to support our mokopuna to succeed. If you haver any paatai about NCEA entries, exam timetables or credits, please contact Whaea Jamie.

Looking Ahead to 2026

Planning is already underway for next year. Please make sure your contact details are up to date at the tari so you don't miss any communications

Ngaa mihi.

As always ngaa mihi whaanau for your ongoing tautoko, aroha and commitment throughout the year. Let's finish Term 4 strong, celebrate our successes and look forward to another great year ahead.

Hui aa Whaanau

We encourage all whaanau to attend this important hui. We'll share kura updates, celebrate achievements and discuss planning for 2026. Your voice and presence are always valued.

Haerenga

A range of end - of - year events and haerenga are planned across the kura. Notices will come home with your tamaiti.

Ngaa mahi a ngaa Whio

KO NGAA KAITIAKI O MUA

Kei te ako ngaa tamariki i ngaa hua o te panana. He ui ngaa painga o te panana moo a taatou tipu. Kei te puna kaukau he ipu wai kua kii me ngaa panana. Ka waiho ki te wai, naa wai raa ka whaangai ki ngaa tipu - kia ora, kia puuaawai. He rawe te kite i ngaa tamariki e hiahia ana te whakatinana i ngaa mahi maara. Tau kee!!

This term, as we explore kaitiakitanga, we have a container of water in the pool area to collect banana skins. As they break down, their goodness is released into the water, which is then fed to our tipu. Great to see the tamariki enthusiastic to learn about how to care for our tipu. Awesome!
